WESTSIDE HIGH SCHOOL TOGETHER BUT DIFFERENT

As a nation, we have all tried to move forward with our lives after the tragic events of 9-11-01. The same is true for the students of Westside High School. Although we are all different in a variety of ways, we are surviving together. We have found ways to come together as a group of young Americans.

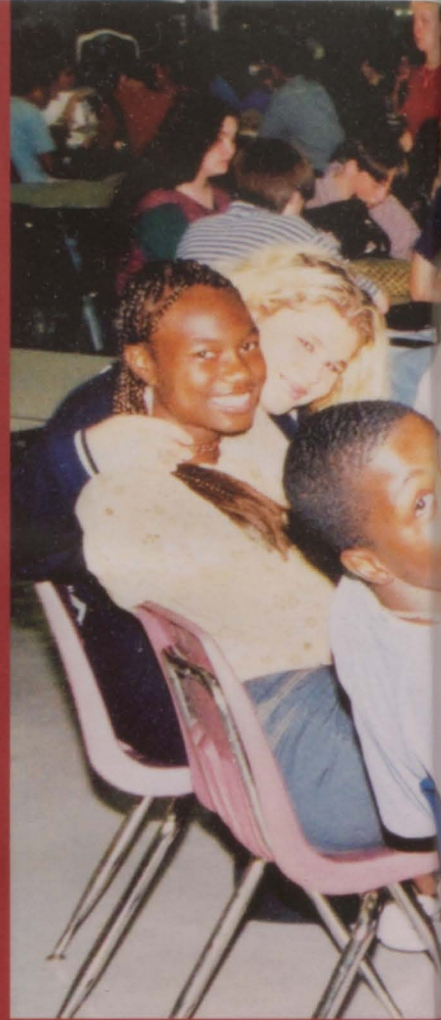

TOGETHER BUT DIFFERENT

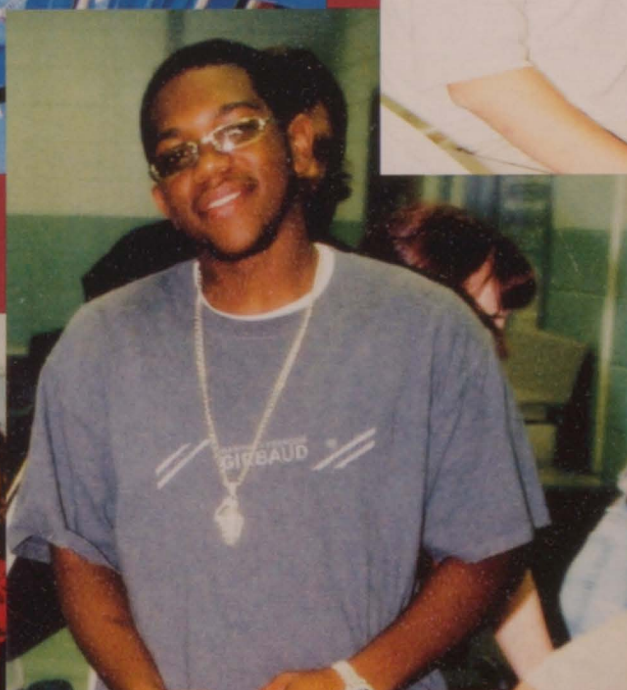

The anticipation builds as the students enter Westside High School for the 2002-2003 school year.

For some students, it is a new experience as a freshman. For others, the beginning of the year brings back memories of last year.

The students spend some time "catching up" on their summer activities. They can only socialize for so long because with block scheduling, classes are already moving ahead with full steam.

Throughout the classes and class projects, the students of Westside come and work together despite their differences. Whether the students are in class, in the halls, or in the lunchroom, they all enjoy working together with friends and other students.

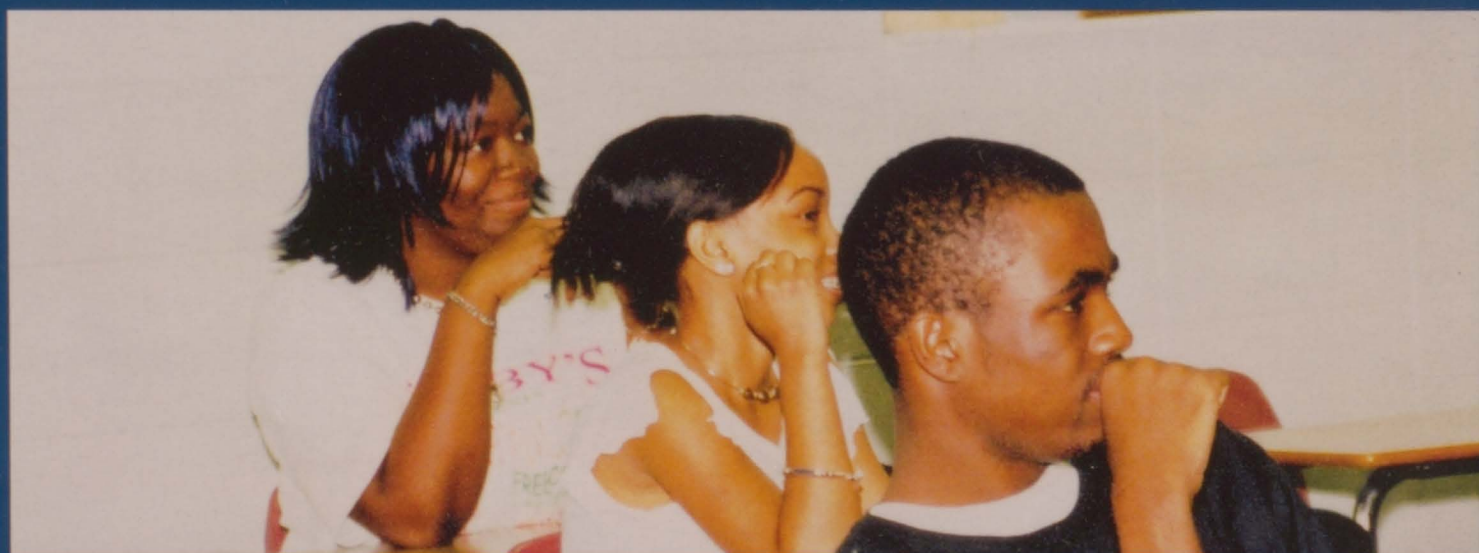

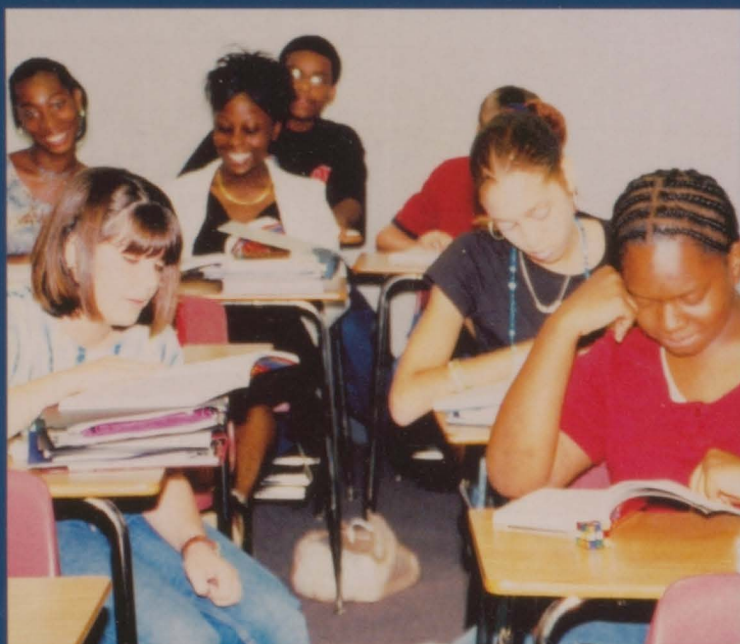

The students of Westside High School in the past have bonded together despite their differences. They shall do so in the present and the future times. ★

"Work? You actually want me to do schoolwork? But I'm..."

It seems that the students are always doing something, whether we are talking and laughing together during lunch, or passing notes in class. During the seven or eight hours we are at school each day, strong friendships are formed.

Living & Learning

At Westside we have a colorful rainbow of different cultures. Students with different backgrounds, traditions, and pasts come together; through experience we learn from each other. Westside students show off their different styles of dress

Individuals & Style

There are so many styles of dress and everybody is trying to be different and stand out. A person's style of dress is the way he expresses himself. Even though dress code can limit that expression, students are still able to find a way around it to show their personality. Dress affects the way some students feel; if they are wearing a great or new outfit they just feel good that day and have more self confidence. If they wear an old regular outfit then maybe it is just a plain old school day for them.

There is no way to say what fashion group someone is in or belongs to, but on a broad basis some polls were taken asking students what style of dress students most like. Out of 100 students the results were 46% preppy, 38% urban, 8% punk/skateboarding style, 4% Country-Western, and 4% of students dress in a dark or gothic style.

Country-Western

Derek McIntosh usually dresses in a country-western style which includes a tee-shirt, jeans, and a rebel belt.

Antowan Thomas,

"I don't have a style. I just wear what I have at home."

Adam Gano,

Money plays an important role in the lives of Westside students.

Money Matters

There is one thing that everyone at Westside has in common; the need for money. Students are constantly spending money on clothes, food, and music. Upperclassmen use their money to keep their cars running. The diversity of our school adds to the variety of ways in which students get their money. Many students work late night just for a few extra dollars. Others get money from their parents for doing a little work around the house. No matter how you look at it, the students at Westside spend money every day and in every way.

The Central Kitchen

The Central Kitchen is located on Riverside Drive next to Red Lobster. It is a part of the Career Center. The Central Kitchen is something new to Bibb county and thankfully it is working out great. Food is made for every school in the county a few days before it is to be served and then it is shipped out to each school the day of the serving. The Central Kitchen allows the food to taste better and most important, ensures safety of the food that children eat.

Good Grits!

A worker prepares the giant boiler in order to make grits.

Store it All

Here is the enormous dry storage room which can hold up to 400 pallets.

Okay. Everybody knows that Westside has the best teachers in Bibb County. Here are a few quotes from our teachers.

"I don't care who you are. A rule is a rule..."

-Lois Baker

"You know what they say, wherever you go there you are."

-Jim Blanton

"To handle yourself use your head. To handle others use your heart."

-Joan Walton

"To thine own self be true."

-Julia Manard

"In each of us two natures are at war: the good and the evil. All our lives the fight goes on between them, and one of them must conquer. But in our hands lies the power to choose-what we most want to be, we are!"

-Dr Jekyll and Mr Hyde
(Charles Lewis)

"Where's your homework? The homework you were assigned yesterday in class."

"Liberty means responsibility. That is why most men fear it."

Teachers and staff share their favorite thoughts and quotes.

"Your other left, cadet...Your other left!"

-Curtis Martin

"The trouble with trouble is that it always starts out as fun."

-Dannah Minton

"And the sons become the fathers,
And their daughters will be wives.
As the torch is passed from hand to hand

As we struggle through our lives.
Though the generations wander,
The lineage survives.
And all of us, from dust to dust,
We all become forefathers by and by."

-Dan Fogleberg
(Kitty Knight)

"Remember that your past may influence your future, but it doesn't have to predict your future."

-Theresa Roller

"Yes, I realize this is a science class.
Your answers still must be complete sentences. A complete sentence starts with a capital letter and ends in a period."

- Jennifer Hulan

" Education is simply the soul of a society as it passes from one generation to another."

-G. K. Chesterton

"One does not care how much you know, until he knows how much you care."

bits of wisdom

"Be the change that you want to see
in other people."

-Amy Miller

"Let the winds of time blow over
my head; I'd rather die while I'm
living than live when I'm dead."

-Jimmy Buffett
(Virginia Phillips)

"If you can't be the best, then do
your best. When you do your best
you can be satisfied in knowing
just what you can accomplish if
you only believe and try."

-Kelly Holland

"There is no spoon."-from the
movie "The Matrix"

-Elizabeth Sanders

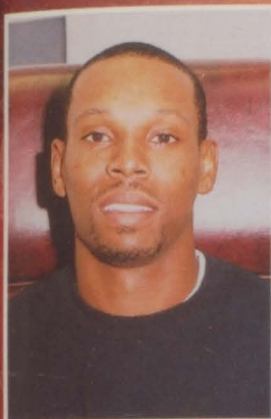

"How should we be able to forget
those ancient myths about dragons
that at the last moment turn into
princesses (princes); perhaps all the
dragons of our lives are princesses
(princes) who are only waiting to
see us once beautiful and brave.
Perhaps everything terrible is in its
deepest being something helpless
that wants help from us."

Love,

Mrs. Knight

You don't run with the crowd
 You go your own way
 You don't play after dark
 You light up our day
 You've got your own kind of style
 That sets you apart
 That's why you captured our hearts
 I know sometimes you feel
 Like you don't fit in and this world
 does not know what you have within
 When I look at you I see something rare
 A rose that can grow anywhere
 And there is no one I know that can compare
 What makes you different makes you beautiful!

Always stay as beautiful inside as out.
 We love you!!!!!!

attaining another goal – a senior. Many wishes for lots
of fun and happy memories.

Love,
Nana, Genie and Colton

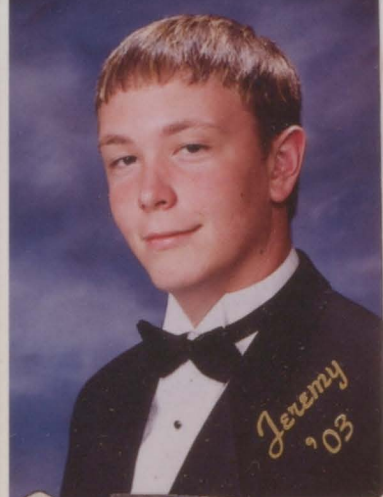

Jeremy,

You are truly a most precious gift from God. It has been awesome to watch you grow from a shy inquisitive child to a confident caring young man who is dedicated to serving God in everything you do. Always remember Jeremiah 29:11, "For I know the plans I have for you", declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." May you always feel God's love and protection surrounding you wherever your future may lead you.

Crystal,

Your dad and I love you so much! It has truly been an absolute pleasure having you for a daughter, watching you grow into a beautiful woman of God.

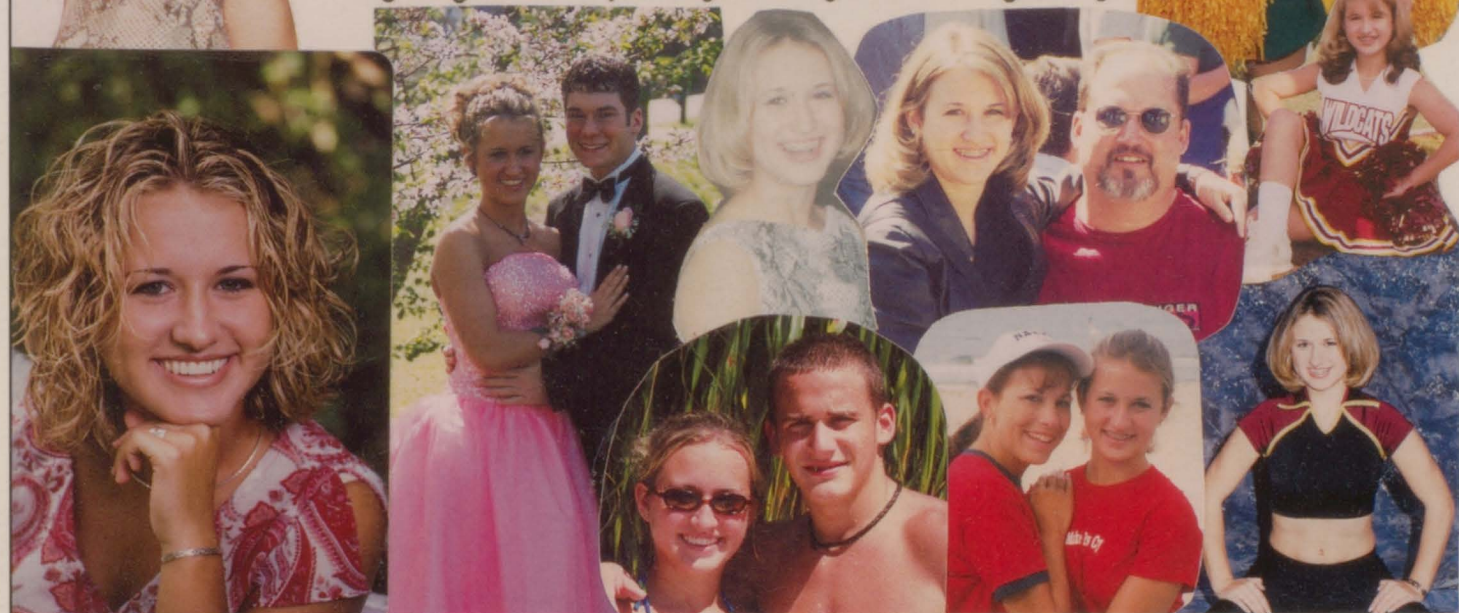

We are so proud of all your accomplishments. Over the past twelve years (how fast they flew) you never settled for the mediocre, but always kept raising the mark for your self, never taking the easy route, the one most commonly traveled. This attitude will take you far in life.

*The future is not for us to know, but we are sure yours will be bright!
Stay close to God and he will show his plans to you*

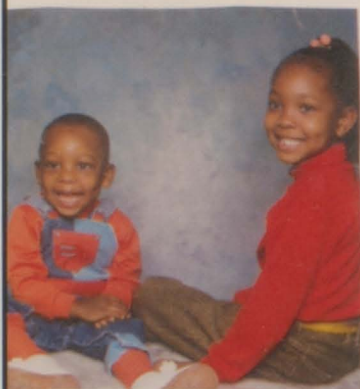

(James 4:14-15) (Proverbs 19:21)

*Lots of Love,

Good Luck in the future, you are a great sister!! Love Kyle

Cierra "Ci" Stevens

Cierra,

For the past seventeen years,

I have watched you blossom into an intelligent, beautiful, and responsible young lady.

You have finally achieved a very significant goal, receiving a high school diploma, and I am very proud of this accomplishment.

You are about to embark upon

another stage in life, beginning your post-secondary studies, and I wish you the best of luck.

I know you will continue to accomplish all your goals, obtain a college degree, and pursue a wonderful and promising career.

*Love,
Mommy*

Sweetheart, It seems like only yesterday that you were born. The years sure did fly by. You have been a wonderful daughter and truly a blessing to us. I've had very little trouble from you if any. **Proverbs 22:6** says, **Train up a child in the way he should go: and when he is old, he will not depart from it.** Your father and I sure have tried to raise you as God requires of us. Thank you for being such a joy in our lives. We are really going to miss you when you leave for college, especially if I'm down to my last dollar and I actually get to keep it. Congratulations and good luck, and always remember **I (YOU) CAN DO ALL THINGS THROUGH CHRIST WHICH STRENGTHENS ME, Philippians 4:13**
